Chapter 2

General Provision

The Royal Government of Cambodia (RGC) stresses to build up a quality and competent workforce ahead of the challenge of the ASEAN Economic Community. The Ministry of Education is also devoting to develop higher vocational and professional education in order to promote vocational technical skills of young students comprehensively. Concurrently, Kampong Chheuteal Institute of Technology which is upgraded from Kampong Chheuteal High School established by Her Royal Highness Princess Maha Chakri Sirindhorn, Thailand, collaborating with the Royal Government of Cambodia, is serving vocational, specific technical skills, and professional ethics responding to public and private labor markets, to participate in building and developing nation. Recently, KCIT is

trying its best to cultivate technical and skillful workers with effectiveness and high potential responding to labor market in Asean region.

Rajamangala University of Technology Isan Surin Campus (RMUTI Surin Campus) is the Higher Education University under the Ministry of Education, Royal Thai Government. The mission of RMUTI Surin Campus is to be: the higher educational institution on the basis of science and technology management according to the international standard which satisfied the customers, the research/ inventions and /or innovation creativities on the basis of science and technology, the value of products and services increasingly for the country, the academic services providing and transfer technology to the society, conserving and caring for religious arts and cultural artifacts, as well as maintaining an environment with managing a “Good Governance System”, serving the purpose of the Royal Development Projects and develop cooperative relationships with both domestic and international cooperation.

Through mutual consultation in terms of international cooperation in the field of education, KCIT and RMUTI Surin Campus hereby officially sign this MOU. This MOU will be enable to increase mutual collaboration, cooperation, interaction and development for academic purposes.
